The Unicorn Centers is part of Mission Road Ministries' family of agencies that serve individuals with special needs. The Center offers a variety of services for their adult customers, with heavy concentration on supported off-site employment and supervised on-site employment opportunities.

During the Fall Service Day, participants will help facilitate Oktoberfest, an annual fun day for about 300 of their clients. OLLU volunteers will assist in one or more of the following tasks: running games and activities like bowling and relays, preparing and serving lunch, dancing to polka and having fun with other participants, and setting up and cleaning up from the event. Most activities are indoors and light in nature; however, a few lighter tasks will be available for those who require sitting for longer periods.

If you are unable to take part in the Fall Service Day, please consider taking part in the Spring Service Day which will take place in May 2016. Signup will occur in April.
