Let's End the Silence Around Domestic Violence!

♥ Join the OLLU Community to Turn the Lake Purple!

Stand in solidarity with survivors and help raise awareness during Domestic Violence Awareness Month.

Learn about campus resources, services and confidential supports.

Remember — you are supported, you are not alone, and support is available even if the incident did not occur on campus.

♥ **Purple Night** – A Legacy of Awareness
Founded in 2006 by Victoria Throm (a survivor) and Curt Lindsey of the Covington Domestic Violence Task Force

Purple Night was created to raise awareness and educate the community about domestic violence during October – Domestic Violence Awareness Month.

The first Purple Night took place in October 16, 2007, marking the beginning of a tradition of hope, healing, and education.
