CAMPUS PARTNERSHIPS

STUDENT GOVERNMENT ASSOCIATION

OLLU Eats is partnering with SGA to host pumpkin painting on October 13th, at 11am! We will also be having an OLLU Spirit competition for the best school spirit pumpkin with prizes for 1st, 2nd, and 3rd place! Supplies are limited, so make sure you get there early!

WINGS UP WEDNESDAY IS BACK

We heard you, saints! Chef Michael is bringing the best flavors to life during Wings Up Wednesday and pairing them with delicious sides! Take a look at this month's Chef Specials and get there early or order ahead on the Grubhub app!

VOICE 2 VISION

The Voice 2 Vision Survey is the best way for us to collect data on what students, faculty, and staff want to see on campus from dining. From what cuisine you want, programs or initiatives to benefit students, and retail offerings, the information from these surveys help us transform the dining program. Our goal is to receive 150 responses in the month of October

TEACHING KITCHEN

Teaching Kitchens are a way to get students to take charge of the culinary side of their college experience. We provide a fun learning environment for students that encourages them to try new flavors and foods. This past month's Teaching Kitchen was Rice Paper Spring Rolls, and they did not disappoint!
